

HOW CAN YOU HELP

Georgia Made to be Remade

- 1 Support the *Made to be Remade* Initiative**
Join us in enriching the stewardship of Georgia's natural resources by increasing recycling of beverage containers in Georgia. Improve and increase recycling in Georgia by supporting programs such as *Made to be Remade* by signing and returning an "Endorsement Form" or completing a "Resolution of Support."
- 2 Spread the Word**
Help by sending your members and friends an email or letter asking them to join the coalition.
- 3 Inform Others**
Educate your employees, vendors, membership or neighbors on best practices to improve recycling of beverage containers in Georgia.
- 4 Write a Letter in Support**
Write a letter to the editor in support of increasing beverage container recycling efforts and the *Made to be Remade* initiative.
- 5 Host an Event**
Host an event or meeting where a representative from the Georgia Beverage Association can discuss the *Made to be Remade* initiative and efforts to improve recycling in the Peach State.
